Dental Assisting Clinical Program

School of Health Sciences

CSN
COLLEGE OF
SOUTHERN NEVADA

Thank you for your interest in the Dental Assisting Clinical Program. This comprehensive program is designed to offer students the option of either following the suggested full-time curriculum sequence or completing the course work on a part-time basis. Graduates of this accredited program are eligible to take the national exam for dental assisting credentials. Dental Assistants are employed in private dental offices or managed care clinics performing laboratory procedures, exposing and processing dental radiographs, preparing dental materials and assisting in dental procedures. This program prepares students for a successful career as a Dental Assistant in private dental offices, managed care clinics, hospitals, military installations, schools and other settings.

Upon completion of the Dental Assisting Clinical Program you will receive a Certificate of Achievement.
