Physical Therapist Assistant Program

School of Health Sciences

CSN
COLLEGE OF
SOUTHERN NEVADA

Thank you for your interest in the Physical Therapist Assistant Program. This two-year, limited-entry program covers the fundamentals of physical therapy with courses in gross anatomy and kinesiology, physical agents, observation and measurement, orthopedic rehabilitation and neuro-rehabilitation. The curriculum is designed to help the student become a competent, safe and ethical physical therapist assistant. Physical therapy assistants provide direct care in a variety of settings including orthopedic clinics, hospitals, rehabilitation centers, schools, special children's centers, long-term care facilities, private clinics and even in the patient's home. Accredited by the Commission on Accreditation in Physical Therapy Education, graduates are able to sit for the national licensure examination. As Nevada's largest college you will be exposed to resources that will teach you the practical knowledge and hands-on training to get you to your chosen career field quicker. Please read through this

brochure to help you plan your next step in this program.

Upon completion of the Physical Therapist Assistant Program you will receive an Associate of Applied Science Degree.
