

**ASSOCIATE OF APPLIED SCIENCE DEGREE (AAS)**

This degree offers course work that addresses both the legal and professional aspects of the criminal justice network while integrating social and behavioral sciences. The program prepares people seeking employment in the field of law enforcement. The program also provides professional growth and preparation for career promotions to those already employed in the criminal justice field.

**STUDENT LEARNING OUTCOMES** - Graduates of this program will have the opportunity to

- Demonstrate understanding of the four subsystems of the criminal justice network and the workings of these institutions in society.
- Explain the means by which institutions provide justice and how it is used to satisfy the needs of society.
- Demonstrate understanding of law enforcement theories and concepts.

Students may elect to graduate using the degree requirements in effect at the time of matriculation, or when they declared or changed major or the current catalog. If a program is official after a student has matriculated, the student may choose the degree requirements of the new program. In no case may a student use a catalog which is more than six years old at the time of graduation.
