2025 Student Commencement Speaker

HISONNI JOHNSON

Hisonni Johnson is a filmmaker, writer, and editor based in Las Vegas. With a background in directing, cinematography, and post-production, he crafts grounded, visually driven stories across narrative and branded content.

In 2025, he earned 10 Student Emmy nominations for his short films *Legend Has It* and *Silenced*, and a Professional Emmy nomination for Best PSA for his commercial *Bang Bang*. His work has also been honored at festivals such as HollyShorts, ABFF, Martha's Vineyard African American Film Festival, Bentonville, Micheaux, and Cordillera. A 2023 CDDP Directing Fellow, Ridgeback Rise Circle member, and recipient of the Cynthia Bunker Memorial Scholarship at UNLV, Hisonni is known for leading intimate, high-impact productions from script to screen — often with limited resources and unlimited drive.

He currently studies film at the College of Southern Nevada while raising his son and developing new work focused on honest characters, sharp visual language, and storytelling that resonates across cultures and communities.

Each year, the CSN student commencement speaker is offered a scholarship that will pay all in-state registration fees for a full-time student at any

Nevada System of Higher Education institution for up to two years.

Beginning in the 2018-2019 academic year, the scholarship became known as the Dr. Michael D. Richards Student Commencement Speaker Scholarship. Dr. Richards, who served for eleven years as CSN's president, and was a student success champion who saw more students graduate during his tenure than any other CSN president.

Commencement Tradition

Colorful variations in academic robes and accessories in today's Commencement Ceremony display a deep tradition and meaning.

Academic wear has its origin in medieval ecclesiastical garments, first worn at Oxford and Cambridge in the 14th century. In the United States, it dates from colonial times. In 1895, an American code was set up to establish uniformity of practice in the wearing and design of mortarboard, hoods, gowns and tassels.

Variations in color and design of the graduation gown designate each level of degree: associate, bachelors, masters, and doctoral.

At the master's and doctoral levels hoods are worn. The lining of the hood represents the official colors of the institution conferring the degree. Today you will see several with silver-gray and scarlet linings representing the University of Nevada, Las Vegas and silver-gray and blue linings, which represent the University of Nevada, Reno.

The velvet border on the hood represents the academic area of the degree. For example, Arts and Letters, white; Law, purple; Medicine, green; Theology, scarlet.

CSN graduates represent three national honor societies for academic excellence.

The students with Greek letters after their names and wearing gold stoles are graduating members of [Phi Theta Kappa](#). These students commit themselves to upholding the hallmarks of leadership, scholarship, fellowship, and service.

[Sigma Chi Eta](#) is the official community college honor society of the National Communication Association. CSN students wearing gold and purple honor cords are members.

[Sigma Phi Alpha](#) members are dental hygiene honor graduates, who wear white satin stoles with gold keys.

College of Southern Nevada Profile

The College of Southern Nevada empowers our students and communities to achieve, succeed, and prosper.

The largest and most diverse higher education institution in Nevada, CSN has three main campuses in Las Vegas, North Las Vegas and Henderson and multiple sites and centers.

Students can choose from more than 180 degrees and certificates in more than 70 academic programs, including degree options in high demand fields such as healthcare and information technology. We also offer 27 degrees and certificates entirely online.

Led by CSN Acting President Dr. William Kibler, CSN is divided into six academic schools and the non-credit Division of Workforce & Economic Development, which provides workforce training, personal enrichment and customized business training opportunities for the community.

The College boasts a national champion NJCAA baseball team, and nationally competitive women's volleyball, softball and men's and women's soccer teams. CSN is also home to one of the largest honors societies in the country for community colleges, an active student government and many student clubs and intramural sports.
