When the Vice President of Academic Affairs has approved a need for reassigned time, a description of the role's responsibilities will be created by the recommending party and approved by the respective Dean, including specific start and end dates and average hours per week required of the reassigned time. This information shall be disseminated to all eligible departmental faculty via email. The reassigned time role description distributed shall specify whom interested faculty should notify. In order to provide that members of the faculty to learn of projects or assignments, such descriptions shall be announced a minimum of ten (10) working days (as determined by the academic calendar for B contracts) prior to the appointment decision. The requesting Dept Chair/Asst Dept Chair/Program Director/Faculty Lead/Director shall make an appointment recommendation to the appropriate administrator, Dean level or above, after conducting a formal interview process. The appropriate Dean and/or Director, shall make a decision and inform all applicants. The decision cannot be appealed by an applicant. The reassigned time role description will be published and kept updated online on the Faculty Infobook website and on a page linked from the Vice President of Academic Affairs webpage.

Section 3.
