

ADMISSION INFORMATION

General Policy

CSN is an open access institution and any adult can apply for admission and enroll in classes. Those applicants who are specifically seeking a degree or certificate of achievement and are applying for federal financial aid must have a high school diploma, its equivalent, or be a qualified international student to be admitted to CSN. High school students who are 16 years old, and are juniors or seniors, may be admitted and may enroll at CSN, subject to the approval of appropriate high school and college officials.

Please contact a CSN Testing Center at www.csn.edu/testing for information about placement testing and the High School Equivalency (HSE) tests. HSE preparation is offered at CSN through the Division of Workforce and Economic Development www.sites.csn.edu/workforce.

The Board of Regents of the Nevada System of Higher Education (NSHE) mandates that CSN must randomly select 10% of all newly admitted students to verify high school or HSE completion every semester. Students that do not respond to the high school diploma/HSE verification audit will be changed from Degree Certificate-Seeking (DCS) to Degree-Seeking Non-Financial Aid Eligible (DGNFA) effective the following semester.

Admission to CSN implies general admission only and does not constitute admission to programs designated as limited entry. Acceptance to limited entry programs will be contingent upon fulfillment of conditions specified by the requirements of each program. Admission to CSN does not guarantee financial aid eligibility. Current federal, state and institutional regulations and policies regarding financial aid and eligibility requirements are available at www.csn.edu/sfs. To apply to the College of Southern Nevada go to our website at www.csn.edu, select MyCSN and click on “Apply for CSN Admissions.”

STUDENT TYPE

Transfer Student

Transferring From Another Institution

Transfer students may request that all previously attended schools, colleges and universities send official copies of their transcripts to the Office of the Registrar. CSN only accepts transfer credits from regionally accredited institutions. The accreditation of the institution and the listing published in the AACRAO Transfer Credit Practices for the year in which the applicant attended a specific institution governs the acceptance of transfer credit. The number of credits awarded will be determined by the college rating and the guidelines that follow:

- The Office of the Registrar evaluates transcripts from other institutions upon request and determines which credits may be applied towards a CSN degree or certificate.
- Students must have an official transcript mailed or hand carried and unopened to the Office of the Registrar.

- After the student has verified that his or her transcript has arrived in the Office of the Registrar, he or she must fill out a Request for Transfer Credit Evaluation Form and submit that to the Office of the Registrar. The form can be downloaded from our website at www.csn.edu/pages/4473.asp.
- To meet graduation requirements, a transfer student must complete the appropriate 15 credit hours in residence within the degree or certificate.
- The College will also accept a maximum of 16 credits from non-traditional sources.
- A student must take the appropriate 15 credit hours in residence in his or her major occupational area or Special Program Requirement for an Associate of Applied Science degree or a Certificate of Achievement.
- Grades of **D+**, **D**, and **D-** cannot be used to fulfill major occupational area Special Program Requirements in Associate of Applied Science degrees or Certificate of Achievement.
- Once all official transcripts have been received and the student has submitted a Transfer Credit Evaluation Form, allow four to six weeks for processing.
- Students will be notified via email once the transfer credit evaluation is completed. The official evaluation report will be available on MyCSN under Transfer Credit Report.

Current High School Student

CSN offers a number of special programs for qualified high school students. Some programs allow high school students to earn both high school and college credit simultaneously. High school students should check with their school counselor regarding necessary enrollment forms. Unless students are 18 years old, parental permission is required for all programs. Many programs require that students pay college tuition or take a placement test. Special programs for high school students include:

College of Southern Nevada High School: This CCSD dual credit program provides juniors and seniors the opportunity to attend high school on our college campuses. Students take their core high school classes with high school instructors while pursuing any of the CSN degree programs at the same time. Students graduate from Clark County School District with all of the available diploma opportunities and have the opportunity to earn an Associate’s Degree. This is an application program with a limited enrollment on each campus site.

CTE College Credit – (formerly Tech Prep): CTE College Credit is a program that grants FREE college credit for approved high school Career and Technical Education (CTE) programs. CTE programs are a sequence of high school elective classes, taught at the high school by high school teachers, preparing students to be College and Career Ready!

There are over 70 CTE programs offered in high schools throughout Nevada, many of which are approved and articulated for CSN college credit. The college credit awarded is designed to give students a head start on their pathway towards completing requirements within an industry certification, CSN certificate of achievement or CSN associates degree. CTE College Credit gives students the ability to minimize the repetition of similar coursework in college and save money! In 2014-2015, CTE College Credit awarded 2063 students 10,388 CSN college credits with a tuition value of \$877,786.

To qualify for CTE College Credit, students must:

- Earn a 3.0 GPA in an articulated CTE program sequence;
 - Example: Criminal Justice I, Criminal Justice II, and Criminal Justice III
- Pass the State End-of-Program Assessment; and
- Pass the State Workplace Readiness Assessment.

For complete program information please visit the program webpage at www.csn.edu/CTE.

Jumpstart Concurrent Enrollment Program: The Jumpstart Concurrent Enrollment Program is a high school partnership with CSN which gives high school juniors and seniors an opportunity to take 100-level-college classes for credit, on their high school site, from their college certified high school instructor for a reduced fee of \$50.00 per course, plus a \$5.50 per credit technology fee. The student's registration application fee is waived. Jumpstart students are eligible for ALL college services for FREE to include but not limited to; in-depth academic planning, counseling, student advising, on-line services, tutoring, writing resource center, career exploration and planning and study skills instruction. The Jumpstart Concurrent Enrollment office is located in the Academic Partnership Division at the West Charleston Campus, Building E, Room 254, and can be reached by calling 702-651-5924 or login into www.csn.edu/jumpstart.

International Student Services

The International Center assists international students in achieving their academic goals by providing accessible services with supportive and culturally-sensitive staff who help with each student's transition to the U.S. college system and American culture. We provide students with admissions, orientation, academic and personal counseling, college success skills education, and advisement of immigration regulations. All first semester international students must register, add, and drop classes through the International Center.

Immigration Regulations: The College of Southern Nevada is authorized under Federal law to enroll F-1 nonimmigrant students. U.S. Government regulations are subject to change. International students enrolled in CSN who hold F-1 visas must be advised of the following requirements by CSN's International Center:

1. International students must maintain a minimum of 12 credits hours each semester (excluding summer sessions) unless otherwise approved by the International Center at CSN.
2. International students must make normal or satisfactory progress toward their officially declared program by:
 - a. Successfully completing courses in their degree program. Students who attempt a disproportionate number of courses (more than 30% of the total semester course load) outside of their established degree program are considered NOT to be making normal or satisfactory progress.
3. In accordance with the Academic Probation and Suspension Policy, international students must maintain a minimum cumulative GPA of 2.0. Students who are suspended may be subject to termination of their immigration status.

International Student Admission: CSN welcomes students from all countries to apply for admission through the International Center. Some admitted students are required to take the Accuplacer Math placement test and either Accuplacer English or English as a Second Language (ESL) placement tests. Students admitted with a minimum TOEFL 71iBT score (or TOEFL equivalent) are eligible to enroll in ENG 113 without taking the Accuplacer English placement test.

International Admission Options: 1) Degree Program (minimum 61iBT); 2) Certificate Program (minimum 61iBT); 3) Bridge Program (minimum 52iBT); and 4) ESL Program – no English proficiency required.

Application Process: To apply for admission a student must submit the following:

1. The CSN International Student Application, completed, signed and dated. Forms and instructions are available online at: www.csn.edu/InternationalAdmissions.
2. A non-refundable application fee of \$25. Students will receive an email with instructions on how to pay the fee online after their application is received.
3. Proof of English proficiency: U.S. High School Diploma; U.S. Bachelor's or higher degree; Completion of a GED, HiSET or TASC program, or anyone of the following test scores:

- a. If you receive government financial aid, a scholarship, or accept a student loan from your home country, you must submit an original document verifying those funds. The above amounts are the minimum required to support one student.
 - b. Add an additional \$5,728 dollars (U.S.) for each dependent.
 - c. International students entering the U.S. on student visas are considered non-resident students for tuition purposes. CSN cannot offer financial aid to international students.
7. Sponsor Letter: If your parents or someone else will sponsor you, then you must submit a sponsor letter signed by the person(s) supporting you that clearly states that your expenses will be paid by the sponsor or parent(s). CSN’s sponsor letter is available on our website at: www.csn.edu/InternationalAdmissions. Copy of the applicant’s passport page with personal information.
 8. I-20 Mail Options Form: www.csn.edu/InternationalAdmissions.

International Student Transfer Admission: F-1 transfer students from other U.S. institutions must provide the following immigration documents in addition to those aforementioned:

9. Copy of F-1 visa page
10. Copy of Entry stamp or I-94 record
11. Copy of current I-20 Form
12. Transfer-In Form indicating your SEVIS release date. The Transfer-In Form is available at: www.csn.edu/InternationalAdmissions.

Prospective International Students (non F-1) Change of Status: If you are on a visa other than F-1, please contact the International Center for instructions. A qualified immigration advisor will determine if you are eligible for a change of status through USCIS.

Returning and Readmitted International Students:

International students are considered “Returning” if they have attended CSN in the past with a CSN I-20. Contact the International Center **BEFORE** completing the application, as you may be required to submit a different form.

Application Deadlines:

Mandatory International Health Insurance: All admitted international students are required to purchase the Student Injury and Sickness Plan endorsed by the College of Southern Nevada. Detailed information about the plan including cost, benefits, exclusions, reductions or limitations, and the terms under which coverage may be continued may be viewed at:

<https://studentinsurance.wellsfargo.com>.

Limited Entry

Special Admissions Information for Health Sciences Programs:

Students seeking admission to one of the Health Sciences Programs should be aware that there are several additional procedures and policies. Some Health Sciences Programs are designated “limited entry,” meaning that class sizes are limited. Prospective students must submit an application to the Limited Entry Office and be selected to a program in order to register for classes in limited entry programs. Information on admissions, selection procedures and application deadlines is available through the Health Programs Advising Offices, located on the Charleston Campus in the lobby of Building K, Cheyenne campus in Building N, Room 1219, and Henderson campus in Building B, Room 136. Students must attend a Health Programs orientation to obtain detailed information on the limited entry application process and programs. There are also specific immunization, drug testing, and background check requirements for these programs.

Limited entry programs include:

- Advance Placement Nursing (LPN) to RN Bridge
- Cardiorespiratory Sciences (AAS and BAS)
- Dental Assisting
- Dental Hygiene (AS and BS)
- Diagnostic Medical Sonography
- Health Information Technology
- Medical Coding
- Medical Laboratory Scientist (BAS)
- Medical Laboratory Technician

- Medical Office Assisting
- Medical Transcription
- Military Medic/Corpsman to LPN
- Nursing (RN)
- Ophthalmic Dispensing
- Paramedic Medicine
- Pharmacy Technician
- Physical Therapist Assistant
- Practical Nursing (PN)
- Radiation Therapy Technology
- Surgical Technologist
- Veterinary Technician

Special Costs for Health Sciences Programs

There are special costs associated with admission and matriculation in some Health Sciences programs. For example, an instrument deposit is required for the Dental Hygiene program. Students whose program requirements include clinical assignments at local health care facilities are required to carry health insurance. Some facilities require that students have a Sheriff's Card prior to beginning their clinical experience. Contact the Health Professions Advisor on the Charleston, Cheyenne, or Henderson campus for current information on special requirements.

ALTERNATIVE CREDIT OPTIONS

Advanced Placement Exams

Advanced placement and/or credit may be granted to entering students who have achieved appropriate scores on one or more of the Advanced Placement Tests offered by the College Entrance Examination Board. Students who receive AP advanced placement or credit progress immediately to more advanced courses and may apply these credits toward the total required for a degree.

Challenges

The College recognizes the fact that students accumulate a great deal of information outside the classroom without formal instruction or from previous academic or occupational instruction. There are times when this background may be extensive enough to satisfy the requirements of courses offered by the College either through various examinations, course substitutions or waivers, or credit for nontraditional education. A student interested in these options should inquire with the appropriate department chair for courses which may be challenged in these ways.

Challenge Examinations

Students who wish to challenge courses under the Credit by Examination provision must pay a nonrefundable fee of \$25.00 for each course challenged. Policies of the College relating to challenge exams are as follows:

- Only currently enrolled students are eligible to take challenge exams.
- No more than 15 credits required for a degree may be obtained through challenges.
- Courses cannot be challenged if a student has taken an advanced course in the same area.
- Challenge examinations are not considered resident credit.
- Challenge examination credit does not count as part of a student's credit load for any given semester nor are they computed into the grade point average.
- A student may not retake a challenge.
- Challenge examinations are not transferable and in many cases will not count for licensing agencies.
- Successful challenge examinations are posted as a TP grade (Pass) on the student's transcript.
- Students must complete the challenge during the same semester in which the request was made.

The College reserves the right to deny any petition for credit by examination.

College Board Advanced Placement Examination (CBAPE):

In accordance with the NSHE Board of Regents Policy, CSN credit may be granted to students who have achieved appropriate scores of 3, 4, or 5 on one or more of the Advanced Placement Tests offered by the College Entrance Examination Board. The tests are administered each year in May and are available to all high school seniors who have taken advanced placement courses in high school and to other interested students who feel they have knowledge of the given subject being tested equal to the college level course on the subject. Contact the Office of the Registrar for more information.

Non-Traditional Education (NTE): Credit for work experience will be evaluated on the basis of a personal interview, verification of occupational experience, and the results of occupational competency examinations. Applicants must submit all relevant official documents, supportive materials, and specific information on the length, content, and other pertinent information concerning the work or life experience to the department chair or designee. Request for NTE credit will be evaluated and awarded in the sole discretion of the academic department.

These non-traditional sources include:

- Apprenticeship instruction and training
- Certificate training
- Correspondence schools
- Extension courses
- Post-secondary proprietary institutions including business colleges
- Servicemembers Opportunity College (SOC)
- Work experience

Students applying for NTE credits must be admitted to the College of Southern Nevada. NTE credits can only apply towards the degree of Associate of General Studies (AGS), Associate of Applied Science (AAS), and the Certificate of Achievement (CoA). Generally a maximum of sixteen (16) NTE credits can be applied towards the AGS and the AAS, and a maximum of eight (8) NTE credits can be applied toward the CoA. However, there is an opportunity to exceed the foregoing limit through application to and approval from the Vice President of Academic Affairs, in addition to the regular approval process.

NTE credits can only be applied towards Special Program Requirements and cannot be used towards General Education Requirements. NTE credit cannot exceed the credit value of the equivalent course. Students who wish non-traditional education credit must pay a nonrefundable fee of \$25.00 per course. Credits earned from NTE sources will not apply toward satisfying the minimum residence credits required for graduation purposes. NTE credit is not included in a student's cumulative CSN grade point average (GPA). NTE credit awarded by CSN may not be transferable to another educational institution.

College Level Examination Program (CLEP): The College Level Examination Program (CLEP) is a specific type of challenge examination. Credit may be granted for the satisfactory completion of the CLEP general or CLEP subject examinations. Students who wish to use credits from CLEP should submit **official** CLEP results and a request for the Transfer Credit Evaluation Form to the Office of the Registrar.

- **CLEP Subject Examinations** – A maximum of three or four credits (one semester) may be granted for each institutionally approved subject examination for scores of 50. For Language CLEP exams a total of 8 (two semesters) credits with a score of 70 or higher.

Three credits for ENG 101 are granted for a score of 50 through 63 on College Composition and an additional three credits for ENG 102 if the score is 64 or higher (College Composition Modular is not accepted at CSN but is given at the Testing Center for other institutions).

Analyzing and Interpreting Literature grants three credits for ENG 298 with a score of 50 or higher. Additional credit may be granted for selected examinations as permitted by institutional policy.

The Calculus exam will award 4 credits with a score of 50 or higher.

- **Please check with the counselor of your degree to determine which CLEPs will be transferable and the maximum amount of CLEP credits allowed by your program before taking the exams.**

CLASSIFICATION OF STUDENTS

Student enrollment is determined by the Office of the Registrar based on the number of credits they have completed. This calculation is freshman: 29 credits or less, sophomore: 30-59 credits, junior 60-89 credits (limited entry bachelors); senior: 90 or more credits (limited entry bachelors).

Full-time and Part-time Students

- Students who register for at least 12 credits are defined as full-time.
- Students who register for at least 9 credits but no more than 11 credits are defined as three-quarter time.
- Students who register for at least 6 credits but no more than 8 credits are defined as half-time.
- Students who register for 5 or fewer credits are defined as less than half-time.

FINANCIAL AID

The Financial Aid Department provides information to students applying for financial aid, which includes scholarships, grants, work-study, and loans. Last year, CSN offered more than \$90 million to over 30,000 applicants. Financial Aid has offices located at the Charleston, Cheyenne, and Henderson campuses. CSN accepts two applications for full consideration: 1) the Free Application for Federal Student Aid (**FAFSA – school code 010362**) and, 2) the CSN Scholarship Application. Both applications are web-based and linked to the CSN website. Current and prospective students are encouraged to file applications as early as possible, beginning in the month of January prior to the start of the following academic year. Early applicants receive priority consideration for all financial aid programs – including those programs with limited funding.

CSN accepts FAFSA applications for consideration of aid at any time prior to the end of enrollment or the end of the summer term depending on whichever comes first. The CSN Scholarship Application priority date is January 1st each year, however, it may be extended due to a low number of eligible applicants. Please check our scholarship website frequently for deadline dates. Students intending to use financial aid to pay their tuition and fees must apply on or before June 1st for the following fall semester, and on or before November 1st for the following spring semester.

Once an application is received, it is reviewed for eligibility and documentation requirements. If required, the Financial Aid Office will update your “To Do” list in MyCSN as well as send you an email requesting supporting documents to validate the content of your FAFSA. Each application will also be reviewed for compliance with the Satisfactory Academic Progress Policy and only those applicants making progress to their degree will be eligible for financial aid awards (including loans). The policy is available on the Financial Aid website at www.csn.edu/pages/3328.asp. Award Notifications are sent at the beginning April for fall enrollment.

Student Aid Programs

Financial assistance is available in the form of grants, work-study programs, scholarships, and loans. These four types of aid programs are funded by federal, state, institutional, and private

sources. To review a complete listing of awards offered at CSN, please visit our website at www.csn.edu/pages/612.asp.

Grants are a type of aid awarded to undergraduate students with financial need and are typically applied to the recipient’s tuition and fees. Work-Study programs employ students in part-time jobs while they attend school. CSN offers a variety of scholarships from both public and private donors. Unlike grants, scholarships and work-study, loans are borrowed funds that must be repaid, with interest.

Financial aid automatically offers loans or work-study to CSN students. FAFSA applicants who desire a student loan must meet additional eligibility criteria including accepting the loan, completing the CSN Loan Application, fulfilling entrance counseling requirements, signing a Master Promissory Note (MPN), and providing a legible copy of a government-issued ID. Students offered work-study jobs should visit the Financial Aid website at www.csn.edu/admissions/aid/options/workstudy.asp and CSN Career Services to review the job vacancy catalog.

Aid Delivery/Financial Aid Census Date (FACD)

Students who receive financial aid, including loans, are required to attend classes. Financial aid disbursements begin no earlier than seven days before the start of the semester. Excess aid is refunded by the CSN Cashier. Students are encouraged to sign up for direct deposit to receive the excess funds quickly. Direct deposit delivers excess financial aid directly to a student’s bank account and avoids postal delivery delays. Funds awarded as financial aid excess are intended for educational expenses only and must be used by the recipient to support their attendance at CSN. Students must be enrolled and attending at least six credits at the time excess loan disbursements are delivered.

CSN uses a “Financial Aid Census Date” (FACD) to determine a student’s actual aid eligibility. The financial aid census date is normally two weeks after the beginning of the semester. The student’s enrollment on this date will be “locked-down” and the financial aid assigned to the student will be recalculated based upon his/her enrollment on that date. The student’s enrollment will be compared with their enrollment at the time of the original aid disbursement and one of three things will happen:

1. **If the enrollment is higher at FACD than the enrollment level at the time of original payment:** the student’s aid package will be adjusted to reflect the new eligibility amount. If this results in a higher financial aid award, a new disbursement will be credited to the student’s account during the next disbursement date.
2. **If the enrollment is lower at FACD than the enrollment level at the time of original payment:** the student’s aid package will be adjusted to reflect the new eligibility amount. If this results in a lower financial aid award than originally disbursed, the student is responsible for repaying the excess funds to CSN. The student can avoid a reduction in awards if he/she is able to enroll in an equal amount of credits offered in the same semester (such as a late starting class).
3. **If the enrollment is the same at FACD than the enrollment level at the time of original payment:** no changes will be made.

Attendance Requirement

Recipients who stop attending classes or stop logging-on to their distance education classes, or those who do not begin attending classes/never logged-in to their distance education classes, are subject to eligibility recalculation and may have to pay back some (or all) of the funds. Please review the Return to Title IV Policy on our website www.csn.edu/pages/5048.asp#PR.

SATISFACTORY ACADEMIC PROGRESS

CSN students who wish to receive Title IV financial aid, such as Federal Pell Grant, Federal SEOG, and/or Direct Loans must meet the CSN satisfactory academic progress requirements and be in an eligible program that leads to a one year certificate program, an associate degree, or a bachelor degree. A personal enrichment declaration or dual enrollment while in high school does not qualify for any Title IV federal financial aid programs. To continue eligibility for federal financial aid funding each semester, all financial aid applicants will be reviewed at the end of each semester to determine if the CSN Satisfactory Academic Progress Policy is met. For the most current information about Satisfactory Academic Progress, please visit www.csn.edu/sfs. The Financial Aid Department will evaluate the applicant's entire academic history including all CSN attempted credits and transfer credits. The minimum standards of CSN's Satisfactory Academic Progress Policy include:

- A. General Requirements:** In response to the receipt of a student's Free Application for Federal Student Aid (FAFSA) and at the end of each completed semester, The Financial Aid Department will evaluate:
- Attempted semester hours including all course work graded with an **A, B, C, D, F, W, or I**, and credits taken for audit.
 - Completed semester hours including all course work earned for an **A, B, C, D, or F**, and credits graded as **Satisfactory/Pass**.
 - Students who have received a **W** or **F** in a course may attempt the same course in order to receive a passing grade.
 - Students who have earned a passing grade of a **B, C, or D**, and wish to retake the course to improve their GPA may only attempt the same course one time.
 - Transfer semester hours do not count in the calculation of the cumulative grade point average however, they are included in the attempted hour and to calculate the maximum time frame standard.
 - Each repeated course work is included in the attempted hour and to calculate the maximum time frame standard. Each repeated course work is included in the calculation of the CUM GPA.
 - Consortium course work is included to monitor satisfactory academic progress.
 - English as a Second Language courses are included when monitoring satisfactory academic progress.

B. Financial Aid (Title IV Funds) Recipients: To receive Title IV funds from CSN, applicants must be meeting the CSN Satisfactory Academic Progress Policy. Applicants must meet the following requirements:

1. Be admitted to CSN, have declared a major, and be in a degree program seeking a one year certificate, an associate's degree, or a bachelor degree.
2. Achieve the **qualitative standard** of at least a cumulative 2.0 GPA at CSN, and;
3. Successfully complete the **quantitative standard** of at least 67% of the cumulative attempted credit hours. See example:

Number of Credits Attempted Per Semester	Minimum Number of Credits Earned (Successfully completed) per semester
Full-Time (15 or more credits)	10
Three-Quarter Time (9 credits)	6
Half-Time (6 credits)	4
Less-Than Half-Time (5 or less credits)	All attempted credit (3 or less)

4. Complete the student's declared program within the **maximum time frame** of 150% of the published length of the educational program, such as:
 - Certificate Programs that require 40 credits for completion will be allowed $40 \times 150\% = 60$ credits
 - Associate Degree Programs that require 60 credits for completion will be allowed $60 \times 150\% = 90$ credits
 - Bachelor Degree Programs that require 120 credits for completion will be allowed $120 \times 150\% = 180$ credits
5. Transfer credits accepted toward completion of the student's program must count as both hours attempted and hours completed.
6. The academic record for all students is reviewed at the end of each term. This review includes all terms attended at the College of Southern Nevada, without regard to the receipt of financial aid for that term. If a student fails to meet the **qualitative, the quantitative or the maximum time frame** requirements, they will be placed on "Warning" for the following term. While on "Warning" status, students will continue to remain eligible for financial aid.
7. **At the conclusion of the "Warning" semester, students will be re-evaluated. If the student meets qualitative, the quantitative or the maximum time frame the satisfactory academic progress status will revert back to a good standing.**
8. If all measurements are not met, the student will move to a suspended status and becomes ineligible for financial aid unless they successfully appeal based on extenuating circumstances and are placed on probation.

NOTE: Students may also regain eligibility without an appeal by paying for an upcoming semester and successfully meeting the cumulative qualitative, the quantitative and the maximum time frame standards.

Visit the Financial Aid website at www.csn.edu/pages/4768.asp for additional information on the *CSN Satisfactory Academic Progress Policy* and a link to the *Satisfactory Academic Progress Appeal Form*.

C. Immigration Regulations – Maintaining F-1 Visa Status:

1. International students must maintain a minimum of 12 credits hours each semester (excluding summer sessions) unless otherwise approved by the International Center at CSN.
2. International students must make normal or satisfactory progress toward their officially declared program by:
 - a. Successfully completing courses in their degree program. Students who attempt a disproportionate number of courses (more than 30% of the total semester course load) outside of their established degree program are considered NOT to be making normal or satisfactory progress.
3. In accordance with the Academic Probation and Suspension Policy, international students must maintain a minimum cumulative GPA of 2.0. Students who are suspended may be subject to termination of their immigration status.

International students enrolled in CSN who hold F-1 visas must be advised of these requirements by the CSN International Center.

TESTING CENTERS

Placement tests are available for potential CSN students, at no cost, at the three main campuses and additional testing sites. All placement test scores are good for two years and placement tests may be retaken after a two week waiting period. No specific placement test, however, may be taken more than twice in any six month period.

Any person who lives outside of Las Vegas may take a placement test without traveling to Las Vegas. Please call 702-651-7465 or 702-651-5733 for more information.

All new CSN degree/certificate seeking or transfer students are required to take the English, Reading, and Math placement tests or present an alternate method of placement.

Alternate Methods of Placement into English and Math:

1. Provide ACT/SAT:

2. Students may be able to transfer in prior college credit by submitting a Transcript Evaluation Form to the Office of the Registrar.

Accuplacer English Placement Test: Students must take an English placement test prior to registering for any English class. Your placement results may be reviewed on MyCSN.

- English test scores range from 1–8 with the following cut scores for each level:

ENG 101.....	6-8
ENG 100.....	5
ENG 098.....	3-4
ENG 092.....	2
ABE.....	1

English as a Second Language Test: Please call Cheyenne 702-651-4475 or Charleston 702-651-5736.

Accuplacer Math Placement Test: Students must take the math placement test prior to registering for math class except for the lowest level.

- Accuplacer cut off scores for placement (These cutoffs are CSN approved. Other institutions may or may not reflect the same course level requirements).
- The student will take two of the three exams starting with Algebra (AG) and then taking either the College level Math (CM) or Arithmetic (AR) section dependent on their Algebra score.
- Each exam has a maximum score of 120.

Accuplacer Reading Placement Test: *Students must take the reading placement test prior to registering for any reading class. Beginning Fall 2015 Reading Placement tests will be mandatory for all new students, unless they successfully bypass the test with the ACT or SAT scores.*

CLEP and Dantes: These tests enable non-traditional and traditional students to earn college credit based on life achievement and job skills. These tests are offered on the three main campuses. *CSN does not accept Dantes for Credit.*

High School Equivalence Exams: For more information visit www.csn.edu/testing and click on GED/HiSET.

Proctoring: *The Testing Centers proctor tests for courses taught at CSN free of charge (i.e. make-up tests and distance education/instructor exams). Proctoring for tests from other institutions (including all other Nevada System of Higher Education institutions: i.e. UNLV, UNR, NSC, WNC, TMCC, or GBC) is available for a fee.*

Career Interest and Aptitude: These tests (Strong, MBTI and WOWI) are available on the three main campuses *for a fee.*

STUDENT ORIENTATION FOR SUCCESS

The Student Orientation for Success, or S.O.S. for short, familiarizes the new student to CSN's academic programs, advising and course scheduling, online learning, support services, resources, policies, and paying for college. Orientation helps new students plan for their academic goals and complete their program of study on time. The orientation is the first step to becoming a college graduate. There is a lot a student needs to know to succeed and the S.O.S. orientation has all the tools to start the student on the right path. The new student orientation is available in two formats, in-person and online.

The **In-Person Student Orientation for Success** is a three-hour, on-campus orientation combined with an advising workshop. S.O.S orientations are offered only in April, May, June, July, December, and January.

The **Online Orientation** is available 24/7 through your **MyCSN Student Center** and can be accessed by using your NSHE student ID number and password. After login into MyCSN, click on the Online Orientation link at the bottom of the Student Center portal. The online orientation consists of six (6) interactive segments, each with very important information about academic programs, advising and course scheduling, E-learners, paying for college, campus safety, and student support services. The student must view and complete the quiz embedded in each segment to receive credit for and successfully complete the orientation.

ADVISING AND SUCCESS COACHING SERVICES

First-time college students without transfer credits, undecided or students without a declared major, and Associate of General Studies (AGS) students work with an advisor/success coach to build a first-term schedule and choose a suitable academic program based on unique skills and interests. In addition to these selected advising services, advisors/success coaches help all CSN students – regardless of major or number of earned credits – build the necessary skills to succeed in college. Services include assessing personal strengths and limitations, learning academic success strategies, exploring careers conducive to appropriate major selection, accessing campus and community resources, and connecting to campus life.

The Office of Advising and Coaching Services also coordinates the Faculty Electronic Early Warning System (E-Alert) that allows CSN's instructional staff to collaborate with Student Affairs in offering struggling students timely assistance to pass their class. Professors can place an E-Alert through the class roster in MyCSN by selecting the E-Alert Box located next to the student's NSHE ID number. Once received, Advising and Coaching Services contacts the alerted student and offers support services, strategies, and interventions that help in successful course completion. For more information about the Office of Advising and Coaching Services or to schedule an appointment, visit www.csn.edu/advising. Students may also email advising@csn.edu or link to the Advising Chat-Room at www.csn.edu/pages/663.asp to inquire about general first-time student information.

NOTE: Returning, continuing, and transfer students with declared majors seek academic advice from **ACADEMIC**

SCHOOL COUNSELORS in their selected major/department. Academic counselor information is available at www.csn.mywconline.net. Health Program returning, continuing and transfer students go to <http://sites.csn.edu/health/advising.html>.

ACADEMIC SCHOOL COUNSELORS

Counselors help *returning, continuing, and transfer students with declared majors* craft long-term academic plans, select courses, and conduct degree audits in preparation for graduation. For counselor contact and appointment information by academic school/department please go to www.csn.mywconline.net. Health Program returning, continuing, and transfer students please visit <http://sites.csn.edu/health/advising.html>.

NOTE: First-time college students without transfer credits, undecided or students without a declared major, and Associate of General Studies (AGS) students work with advisors located in the Department of Advising and Coaching Services.

REGISTRATION INFORMATION

Once a student has been admitted to CSN he/she may register for classes online via MyCSN at www.csn.edu or in person at the Office of the Registrar at any of the three main campuses.

Course Registration

- Registration for full-term classes must be completed by the end of the first week of the semester. Registration for short-term classes must be completed by 11:59 p.m. on the day before the session begins (as defined in the College Calendar).
- Exceptions to the registration deadline are limited to:
 - Courses for which the course catalog notes a prerequisite AND specifies that the permission of the instructor and/or department chair and/or program director is required.**
 - Courses requiring auditions or try-outs.
 - Courses in the Jumpstart (dual enrollment with high school) program or courses designated in a Memorandum of Understanding.
 - Students dropped due to DOCUMENTED CSN ERRORS.
 - Courses that were cancelled within 6 days of the start of the session.
- Exceptions require permission of appropriate instructor(s) and the department chair. The approval can be done via email or official form. The student must be enrolled in the class by the end of the first week of the session.

Course Withdrawal

PLEASE NOTE: Before withdrawing from a course, students are strongly encouraged to discuss their decisions with an academic counselor, academic adviser or success coach **AND** the Financial Aid Department since these decisions may affect a student's financial aid and Satisfactory Academic Progress. Any such students receiving financial aid may find their awards reduced.

- Instructors do not have the option of withdrawing students. The student must receive a grade of **A** through **D-**, **F**, **Pass**, **I** or **AU** if still on the roster after the 60% point in the session (refers to the length of the session in days, not the number of assignments or percentage of points earned. Refer to the College Calendar for the appropriate date.
- CSN administration may withdraw a student at any time during the session for just cause including, but not limited to, failure to pay for the course and violations of the Student Conduct Code.
- Students with documented exceptional circumstances may follow the grade change process to request a grade change to **W**.
- Students may withdraw from a course with a grade of **W** during the first 60% of a session, measured by time, not assignments. If the withdrawal occurs during the refund period, the class will not appear on the student's transcript. When withdrawing from the class, the official withdrawal date is the date processed by the Office of the Registrar, not the date last attended, unless the two dates coincide.
- In order to adhere to financial aid guidelines, at the end of the second week of the semester or summer session, the instructor submits to the Office of the Registrar the names of students who have not participated at all in the course. Participation is defined by the U.S. Department of Education to mean physically attending a class with direct interaction between the instructor and students and/or submitting an academic assignment and/or taking an exam, interactive tutorial or computer-assisted instruction and/or attending a study group assigned by the institution and/or participating in an on-line discussion about academic matters and/or initiating contact with the faculty member to ask a question about the academic subject studied in the course.
- A student must pay the normal registration fees for audited courses.
- Audited courses will **NOT** be counted as part of the academic load when full-time or part-time status is reported, for any reason, to any internal or external office or agency; this includes, by way of example only, the Financial Aid Department, Social Security Administration, Veteran's Administration, employers and others.

Course Auditing Procedures

- To audit a course, a student must register for the course and pay the regular fees (and tuition, if applicable).
- Credit to Audit: To change the status of a course from credit to audit, a student must complete the change on or before the last day to withdraw. Students must sign a statement acknowledging the consequences of their decision.
- Students cannot change their status from audit to credit.
- All enrollment changes are processed through the Office of the Registrar.

ENROLLMENT VERIFICATION

To request enrollment verification, students must go to MyCSN after the start of a semester. The student's social security number must be in the system to access the online enrollment verification. Enrollment verification is free.

CREDIT LOAD

- The normal class hour load for full-time undergraduate students who are not on academic suspension is 12-19 credit hours each semester. Only students with a CSN grade point average of **B** (3.0) or higher may enroll for more than 19 hours. The table below shows the maximum credit hours an undergraduate student can enroll for depending on academic standing.

Academic Standing	Fall / Spring Semester	Summer Term
Good	22	16 (cumulative)
Suspension	6	6

- Requests for more than 19 credit hours (12 in the summer) require written approval from any of the following individuals – Associate Vice President of Academic Success; Associate Vice President of Curriculum, Accreditation and Assessment; or the Assistant Vice President of Community Engagement Services. Approval must be obtained before registering.**
- The recommended maximum credits under CSN policy is 19 per regular semester and 12 per summer. To be approved for 19-21 credits, students must have a 3.0 grade point average (GPA) or higher and receive approval from one of the individuals listed above. To register for 22 or more credits, the student must have written permission from the Vice President of Academic Affairs.

Auditing Classes

POLICY: To audit a course means the student will enroll in the course but receive no credit or grade.

Students should be aware that:

- Federal financial aid will not pay for audited courses, and students should not include aid for audited courses in their financial planning.
- Satisfactory Academic Progress related to federal financial aid takes attempted credits into consideration when assessing a student's ongoing eligibility for federal financial aid. Credit-to-Audit conventions are counted among "attempted" credits but not as "completed" credits for financial aid purposes.

Students are strongly advised to consult with an academic counselor or advisor and the Financial Aid Department, if the student receives financial aid **PRIOR** to making any course registration changes.

- Except for programs with applicable limitations (such as limited-entry or specialized accreditation), a student may elect to audit a course.

- If a student has outstanding incomplete grades, they cannot exceed 19 credits in regular semester or 12 credits in summer.
- Students can download the “Credit Overload Request” form on our website at www.csn.edu/pages/2463.asp or pick one up at any of our three main campuses.

DECLARATION OF MAJOR

It is important for students to declare the appropriate major in order to receive accurate advising, avoid taking unnecessary course(s) which may result in excess credit fees, and to ensure timely graduation from CSN. **NOTE:** Processed declaration of major changes become official and reflect on the student’s record on the first day of the next semester following submission.

Changing From One Major to Another

To change from one program of study or major to another, including from self-enrichment/non-degree seeking to degree-seeking and vice versa, you must do so online from your MyCSN portal.

Delete a Major/Add an Additional Major/Change Catalog Year

Submit the Declaration of Major form in person to the Office of the Registrar at any of our three main campuses.

FINAL EXAMINATIONS

Final examinations are held at the end of each semester. Students are required to take the final examination at the time and place scheduled by the instructor in order to receive credit for the course.

PAYMENT INFORMATION

All fees assessed by the college are subject to change as approved by the NSHE Board of Regents. Students may consult Class Registration through MyCSN or the Cashier’s Office web page at www.csn.edu/cashier for current fee information and payment deadlines.

Balance of Tuition and Fees: Currently enrolled students may receive an up-to-date account balance by logging into MyCSN. To avoid errors in billing and refunds, a student must use complete name, NSHE ID number or social security number, and local address on all transactions. Please print clearly and retain all receipts.

Methods of Payment

Online Payment: Students may pay for tuition and fees with a credit card through MyCSN. CSN accepts MasterCard, Visa, Discover, American Express, and Diners Club credit cards. In the event that a credit card is declined online, classes will not show as paid, and all classes are subject to be dropped due to non-payment.

In-Person Payments: Students may pay for tuition and fees in person at the Cashier’s Office at any of the three main campuses during office hours if paying by cash, cashier check, money order, or personal check. Checks must be made payable to the NSHE Board of Regents. Be sure to write the student’s NSHE number on the check when paying in person.

Mail-In Payment: Students may mail in personal checks for payment. Be sure to write the student’s NSHE number on the check and allow sufficient time for mail delivery. The mailing address is:

College of Southern Nevada
ATTN: Cashiers Office – CYE124
3200 East Cheyenne Avenue
North Las Vegas, NV 89030

Returned Checks: Personal checks are accepted for payment of fees owed to the college, although no counter checks or checks altered in any way are accepted. A fee of \$25.00 will be assessed for any check returned unpaid by the bank. The prevailing bank rate is assessed for any check returned unpaid by the bank. Any returned check must be made good within ten (10) days after being returned to the college. If the account remains delinquent, collection procedures will be instituted. Personal checks returned for any semester fees from the bank constitute a financial withdrawal. The college reserves the right to place the student on a cash basis only, and withdrawal procedures may be initiated at the option of the college. A stop payment placed on a check does not constitute an official withdrawal from courses. Official withdrawal must be made via MyCSN or in person through the Office of the Registrar. Stop-pay checks will be processed as returned checks and are subject to the same fee and collection procedure.

Payment Plan: A payment plan is available to students who register for six or more credits per semester for Fall and Spring semesters. Effective Spring 2017, a non-refundable fee of \$10 per semester will be charged upon enrollment of the payment plan. Payment plan directions are outlined on the Cashier’s Office web page at www.csn.edu/cashier. It is the student’s responsibility to follow the payment plan schedule. A penalty fee of 10 percent (minimum of \$10) will be charged per installment not paid by the due date. Any unpaid balance on a payment plan is treated as an official fee hold and is subject to collection procedures.

REFUNDS

A student who drops or withdraws from CSN courses may be entitled to a full or partial refund of tuition and course fees according to the schedule below, which is subject to change with the Board of Regent’s approval. See refund deadlines in the current College Calendar. All requests for exception to the refund policy must be submitted to the Student Appeals Committee.

A. Full-Term Classes (16-weeks)

- One hundred percent (100%) refund if withdrawal is initiated prior to the end of the first week of instruction.
- Fifty percent (50%) refund if withdrawal is initiated prior to the end of the second week of instruction.
- No refund of any amount shall be granted thereafter.

B. Short-Term Classes (less than 16 weeks)

1. One hundred percent (100%) refund if withdrawal is completed prior to the first day of the session.
2. Fifty percent (50%) refund if withdrawal is completed two days after the first day of the session.
3. No refund of any amount shall be granted thereafter.

C. Other Refunds

1. No refund shall be given for the application and other non-refundable fees.
2. Nonresident tuition shall be refunded in conformity with the above schedule for load reduction to six (6) credit hours or less and for withdrawal for the current semester. Nonresident fees are not retroactive.

STUDENT APPEALS

The Student Appeal Form is available at the Office of the Registrar on any of the three main campuses or online at www.csn.edu/pages/2463.asp. The Student Appeals Committee will review all petitions in the order of date received. The decision of the committee is **final**. Students will be notified via email of the Student Appeals Committee's decision.

A refund appeal will not be considered unless the student has officially withdrawn from the class(es) and was earning satisfactory progress in the class(es) at the time of the withdrawal. Students who are receiving financial aid should check with the Financial Aid Department or Veteran's Affairs prior to withdrawal to determine what, if any, effect this action may have on future financial aid or Veteran's Affairs eligibility.

Tuition appeals will generally be approved for the following reasons as long as the appropriate written supporting documentation is provided:

- Deployment of a student in the United States Armed Forces. The student must provide valid and properly endorsed orders. Includes dependent(s) enrolled at CSN, if other than the student;
- Death or incapacitation resulting from an illness or injury of the student; or spouse, child, parent, or legal guardian of a student that prevents the student from returning to school for the remainder of the semester. Extended incapacitation/hospitalization of the student (which caused the student to miss 20 percent or more of scheduled instruction) documented by a physician's statement on the doctor's official letterhead (copies of the student's medical records will be accepted.) This must be an unscheduled medical emergency experienced or continuing after the last day to drop for tuition refund. The physician's letter must include the date the student was first seen for the medical condition as well as the beginning and ending date the student was incapacitated or/and hospitalized and must state that the student was physically unable to attend classes during that period of time. The physician's letter must specifically state that the student was physically unable to attend classes, otherwise it will not be sufficient support to approve an appeal;

- Verifiable error on the part of the institution;
- Involuntary job transfers outside the Greater Las Vegas Metropolitan Area-documented by employer;
- Late notification of denial to a specific degree program with supporting documents.

No refund will be made if the Student Appeal Form and supporting documentation are not received by the end of the semester following the semester being appealed. Exceptions may be made in extraordinary circumstances.

EXCESS CREDIT FEE

Beginning fall 2014, the Nevada System of Higher Education (NSHE) created a policy that will charge a 50 percent excess credit fee per-credit to a student who has attempted credits equal to 150 percent of the total credits required to complete the student's declared program of study. Attempted credits include all graded courses on a student's transcript, including but not limited to grades of **F** and **W** (withdrawal) as well as repeated courses.

The following categories of declared majors are subject to the Excess Credit Fee:

- Students currently pursuing a **Certificate of Achievement** who have attempted 45 credits or more will be charged this fee.
- Students currently pursuing an **Associate Degree** who have attempted 90 credits or more will be charged this fee.
- Students currently pursuing a **Bachelor's Degree** who have attempted 180 credits or more will be charged this fee.

The Nevada System of Higher Education (NSHE) provides an appeals process for this excess credit fee. Students will need to provide an appeal form and supporting documents to be considered for exception to this fee. The following credits can be considered in the appeals process:

1. Credits earned through examination like AP, CLEP, and Non-Traditional credits (must attach a copy of Transfer Credit Report).
2. Credits attempted while enrolled as a high school student if those credits do not meet the student's degree requirements (must attach a copy of Academic Advising Report and a copy of high school transcripts).
3. Credits attempted at an institution outside of NSHE if those credits do not meet the student's degree requirements (must attach a copy of Transfer Credit Report and Academic Advising Report).
4. Credits attempted for remedial courses (must attach a copy of unofficial transcripts).
5. Credits earned from a previous earned degree if the degree is at the same level as the current degree (must attach a copy of unofficial transcripts or Transfer Credit Report).
6. Other circumstances (if students select this option then they must submit a personal statement that includes the reason they failed to meet the degree completion within 150 percent of the credits required for their program).

Students are strongly encouraged to meet with a counselor or success coach.

CSN IDENTIFICATION CARDS

CSN I.D. cards are available to students, faculty, and staff. The CSN I.D. card:

- Provides identification at the CSN Library for borrowing privileges.
- Provides identification for student status to qualify for discounts.
- Must be renewed each semester.

Students must be enrolled for the current semester and provide a photo I.D. in order to obtain a CSN I.D. card. There is a \$2.00 charge for your CSN I.D. card. Fees are subject to change.

BOOKSTORES

Bookstores are located on the Charleston, Cheyenne, and Henderson campuses. Each bookstore sells the required and supplemental textbooks for your classes offered on that campus as well as classes offered online. The bookstore also sells general school supplies, study aids, educationally discounted software, imprinted clothing, and gift items. Students can also purchase textbooks and get text information from the bookstore website at www.efollett.com.

Text Rental Program: The bookstore also offers a Text Rental Program. In order to participate in this program, you will need to be at least 18 years of age; have a valid government issued identification card; and, a recognized credit or debit card. Please note that not all titles are eligible for rent. You can visit any of the bookstore locations for additional information and/or sign up for the program.

Bookstore Refund Policy: Your textbooks are fully refundable in their original condition with sales receipt within two weeks from the official start of classes for fall and spring courses and one week for summer courses. After this date, you may return your books within three business days of purchase with original receipt for your full refund. Books for classes that are cancelled by the school are fully refundable within one week of the scheduled start date for the course.

Please use caution when opening package sets as some electronic media and textbook packages may not be fully refunded once opened. No refunds are offered during final exam periods.

ATTENDANCE POLICY

College enrollment assumes maturity, seriousness of purpose, and self-discipline for meeting the responsibilities associated with the courses for which a student registers. Students are expected to attend each meeting of every course for which they have registered. Attendance is essential for normal progress in a college course. Under no circumstances will an absence, for any reason, excuse a student from completing assigned work in a given course. After an absence, it is the student's responsibility to check with the instructor about the completion of missed assignments.

(For information on absences on religious holidays, see Religious Holidays in this Catalog.)

Students receiving Financial Aid assistance, please refer to the Withdrawal and Return of Title IV Funds link from the Financial Aid – Satisfactory Progress website for detailed information at www.csn.edu/pages/628.asp.

Unregistered Persons in Class

Only students officially registered by the College in a class may attend the class. This applies to physical or virtual classroom sessions. By way of example only and not limitation, this includes students not registered in that class or session of the class, friends, or family members (adults or children) of registered students, or members of the general public. Students must attend the section of the class for which they are officially registered. It is each student's responsibility to ensure they are enrolled in each of their courses, and are listed on their respective class rosters. Attending a section for which a person is not enrolled, either accidentally or purposefully, is not a valid reason to request a change of grade, reinstatement, or course refund. Exceptions to this policy are departmental/college evaluations of the class or similar administrative issues, authorized disability services, and the invitation of the instructor. Students registered for one section of a course may attend a different section of the course with the consent/invitation of the instructor for a period of time to be determined by the instructor.

GRADES AND ACADEMIC PROGRESS

Grading Symbols and Definitions

At the end of each semester, reporting of individual student grades is made available through MyCSN. All financial obligations to the College must be met before a student is eligible for an official transcript.

The following grades are given at CSN:

Grade	Grade Point Value	Grade	Grade Point Value
A.....	4.0	C.....	2.0
A-.....	3.7	C-.....	1.7
B+.....	3.3	D+.....	1.3
B.....	3.0	D.....	1.0
B-.....	2.7	D-.....	0.7
C+.....	2.3	F.....	0.0

Grades of **D+**, **D**, and **D-** in the student's major occupational area in Associate of Applied Science degree programs or Certificate of Achievement will not count towards graduation requirements.

- The Failure F grade is given for failure in the performance of course objectives and is worth zero (0) grade points.

- The Incomplete **I** grade may be assigned when the student has successfully completed all course work up to the withdrawal date of that semester/session but is unable, due to legitimate reasons (e.g. serious illness, death in the family, or change of employment), and with proper documentation, to compete all requirements for the course.
 - The instructor will determine if the student qualifies for the incomplete process, and if so, the instructor will determine and document the outstanding requirement for the student to finish the course and convert the **I** grade as well as the time frame to complete those requirements, not to exceed one year.
 - If the work is not completed during that time frame, the **I** converts to an **F** unless a different grade is indicated by a Grade Change Form.
 - If the instructor is no longer available to submit a Grade Change Form, it is the responsibility of the department chair to do so, if applicable.
 - The **I** grade is not included in the student's grade point average and therefore is worth "0" points.
 - If a student wishes to retake the entire course, he or she must re-register and pay for the class.
 - Unless approved by the dean in the student's major or the VPAA or VPAA's designee, a student with three current **I** grades may not register for additional coursework.
 - If the student is not enrolled at CSN at the time he or she needs to complete the coursework and he or she needs to use CSN facilities not open to the public (such as labs), the student must receive permission from the department chair or program director to use those facilities, sign a waiver of liability to CSN, and if applicable, receive permission from the clinic site.
- The Withdrawal **W** grade indicates withdrawal from a class. If the withdrawal happens after the refund period, the student will receive a grade of **W** for the class as long as withdrawal occurs before the course is 60% complete as defined by the College Calendar. Lack of attendance does not constitute withdrawal; failure to properly withdraw will result in the assignment of an **F** grade on the student's transcript in accordance with the NSHE Grading Policy. The **W** grade is not computed in the grade point average.
- The Pass **P** grade is granted on the basis of satisfactory completion of specific courses designated as **Pass/Fail** only. The **P** grade is not computed in the grade point average.
- The Satisfactory **S** grade indicates that a student earned a **C-** or above in the completion of course objectives. The **S** grade is not computed in the grade point average.
- The Unsatisfactory **U** grade indicates that a student earned a **D+** or below in the completion of course objectives. The **U** grade is not computed in the grade point average.
- The Not Reported **NR** grade is assigned by the Registrar pending submission of a final grade by the course instructor. The **NR** grade is not computed in the grade point average.
- The Audit **AU** grade is given for students who audit a course. The **AU** grade is not computed in the grade point average.

- The use of plus (+) and minus (-) in a grade is at the discretion of the instructor. The course syllabus shall contain a clear explanation of the grading scale to be used by the faculty member.

Calculating Your Grade Point Average

The grade point value associated with each grade denotes how many points are accumulated for each credit earned with that grade. The grade point average is determined by dividing the sum of the grade points earned (refer to the grade point value chart) by the total number of credits earned with a regular letter grade.

Course Repeat

Students may retake a CSN course as often as needed to gain a better grade and, thereby, a higher grade point average. Only the highest grade received will count as part of the total grade point average. All repeated courses taken at the College will remain as part of a student's permanent academic record. Some limited entry programs will not allow required courses to be repeated.

Students receiving financial aid should be aware that all attempted credits are included in the calculations for Satisfactory Academic Progress. Please see www.csn.edu/sfs for more information on Satisfactory Academic Progress.

Academic Honors

The College of Southern Nevada supports and recognizes student achievement. An Academic Honors List identifies and recognizes students who demonstrate academic excellence. In addition to being identified as an honoree, a notation "Academic Honors" will post to the student's transcript for the qualified semester.

To be eligible for Academic Honors, a student must:

1. Complete at least 6 credits of 100 level and above during the eligible semester with grades on the **ABCDF** scale,
2. Courses must be 100 level or above, and
3. Semester grade point average and correlating designation:
 - a. 3.3 to 3.59 – Honor's List
 - b. 3.6 to 3.99 – Dean's List
 - c. 4.0 – President's List

Academic Warning

Any student who does not achieve a cumulative grade point average (GPA) of 2.0 or higher after having attempted at least 15 credits is placed on academic warning for one semester. Students on academic warning will be directed to complete the Academic Warning component of the Academic Success Online Warning/ Probation Workshop (ASOW) and to seek appropriate assistance. A registration hold will be placed on the student's account when the student is placed on academic warning, which will be removed upon completion of the relevant ASOW component. Academic warning status does not appear on official transcripts.

Removal of Academic Warning: A student on academic warning who achieves a cumulative GPA of 2.0 or higher at the end of the next semester of enrollment will be removed from Academic Warning.

Academic Probation

A student on academic warning who fails to achieve a cumulative GPA of 2.0 or higher at the end of the next semester of enrollment will be placed on academic probation. Academic probation status appears on official transcripts. The first semester on academic probation will be directed to complete the Academic Probation component of ASOW and to seek assistance from appropriate service. A registration hold will be placed on the student's account when the student is first placed on academic probation, which will be removed upon completion of the relevant ASOW component. A student who maintains a semester GPA of 2.0 or higher during the first and subsequent semester(s), but have a cumulative GPA below 2.00, will continue to be on academic probation.

Removal of Academic Probation: Academic probation is removed at the end of the semester when a student's cumulative GPA is raised to 2.0 or higher.

Academic Suspension

A student on academic probation who fails to achieve a semester GPA of 2.0 or higher will be placed on academic suspension. Students who are suspended will not be allowed to register for any credit classes for at least one semester, but during the semester may petition to register for the following semester with the Academic Suspension Appeals Committee. Academic suspension status will appear on the student's official transcript. Students on academic suspension will be encouraged to seek advice from appropriate personnel.

College Readmission After Suspension: A student may petition the Academic Suspension Appeals Committee if the student wants to attend CSN again after one semester of suspension. A Student Appeal Form must be submitted and must also include the advising degree sheet and up to two selected courses chosen with the aid of appropriate academic advising personnel. Additional requirements may be determined by the committee. If approved by the committee, the student will be limited to a maximum of two classes per semester. The student must appeal every semester until a cumulative GPA of 2.0 or higher. If semester GPA is below a 2.0 for two consecutive semesters, the student must sit out another semester before petitioning again. The student must earn a cumulative GPA of 2.0 or higher to be removed from Academic Suspension status.

Student Grade Appeal Policy

A. A student may request a change of grade for any of three reasons:

1. The student claims a clerical or computational error was made by the instructor in assigning the grade.
2. The student claims the instructor lost or damaged student work that had been completed and submitted as assigned.
3. The student claims the instructor evaluated the student's work on the basis of different factors than were used to evaluate the work of the other students in the same course section.

B. A Grade Appeal Committee will be appointed as necessary. The school dean will solicit members for this committee as defined below:

The Committee will consist of five members:

1. One department chair/head, from a department other than that of the involved faculty member, selected by the Dean.
2. Two school faculty members, one to be selected by the Dean and the other by the involved faculty member.
3. One representative from Student Affairs, appointed by the Vice President of Student Affairs, who has previous experience serving on a Grade Appeal Committee.
4. The fifth member of the Committee will be a faculty member selected by the student. If the student declines to suggest a Committee member, the Dean will select the fifth member from the discipline, when possible, involved in the appeal.
5. The Dean will seek replacement of any member of the Committee who is directly involved in a particular case. If a member of the committee is unavailable, the Dean will replace the member for that individual appeal.
6. The Committee members will designate the chair of the Committee, who is responsible for ensuring that the procedure is correctly followed.

C. The Grade Appeal Committee's decision will be final and binding on all parties and unable to be appealed.

Procedure:

- A. The student will first discuss the request for change of grade with the instructor. If the matter cannot be resolved, the student appeals in writing to the department chair/head. This appeal must contain a signed statement of the reason for a change in grade, and also all supporting documentation which must include at least the course syllabus, any relevant assignment instructions/criteria, and copies of any disputed work. This appeal must be submitted within four months of the end of the course in which the grade is being disputed. If resolution is still not reached, the student appeals to the dean of the school. The dean will see that the Grade Appeal Committee is formed. The Grade Appeal Committee will rule on the matter within 30 days of the date of the appeal to the dean.
- B. When a grade appeal is referred to the Grade Appeal Committee, the Committee will schedule a formal hearing at which the student and the instructor may each make a statement of the case. Additional material may be submitted to the Committee chair at least one week in advance, to be distributed to all parties at the chair's discretion. The Committee may hear other witnesses and examine all submitted evidence from student and faculty as they choose. The petitioning student must be present for the hearing. Absent extraordinary circumstances, the student's absence will result in forfeiting the appeal. Involved faculty, if present, may also present their case. The burden of proof is on the student. The Committee may not meet without at least four members present.

- C. Based on the evidence, the Committee may decide:
1. No action, initial grade will remain unchanged.
 2. To recommend the grade change if at least four of the Committee members agree.
 3. That the student may replace lost or damaged work within the timeframe determined by this Committee. If the student's work is not submitted within the timeframe, the initial grade will stand.
- D. If a change of grade is recommended, the dean will sign and file the grade change form. If replacement work is recommended, the Committee will establish a reasonable time line for completion of the replacement work and the dean will appoint a faculty member from the same discipline or school to evaluate the replacement work and decide the student's final grade.
- E. The Committee chair will prepare a summary of the appeal and the reasons for their decision and each Committee member will sign indicating concurrence or dissent from the Committee's decision. Within one week of the hearing, the summary will be sent to the student, the faculty member, the department chair/head, and the school dean.

GRADUATION REQUIREMENTS

To ensure students graduate with current knowledge in their chosen fields, CSN requires that students must meet degree or certificate course requirements that are listed in a CSN catalog.

Students must:

- Select the catalog under which the student enrolled, or
- Select the catalog under which the student officially declared or changed major, or
- Select the catalog under which the student will complete the curriculum requirements for a baccalaureate degree or an associate degree or certificate of achievement, or
- Select a degree that is offered for the first time after the student has enrolled. The student must choose the catalog year in which the degree or major was first offered.

The selected catalog cannot be more than six years old at the time of graduation for students receiving an associate degree or certificate, and not more than ten years old at the time of graduation for students receiving a baccalaureate degree.

Students must know:

- When pursuing an associate degree, the student must complete a minimum of 60 credits, depending on specific program requirements, of various courses meeting general education and program-specific requirements
- When pursuing a certificate of achievement, the student must complete a minimum of 30 credits, depending on specific program requirements, of various general education and certificate specific requirements
- Must earned a minimum cumulative grade point average (CUM GPA) of 2.00.

- Complete all course requirements by the last day of final examinations of the candidate's final semester. Students cannot have pending grades of **I** or **NR**. A final graduation grade point average must be posted.
- Not have a grade of **D+**, **D**, **D-** in the major occupational area for the Associate of Applied Science degree or Certificate of Achievement.
- Satisfactorily complete a minimum of 15 semester credit hours in residence at CSN for an Associate degree or Certificate of Achievement. For the Associate of Applied Science degree and the Certificate of Achievement, students must complete the appropriate 15 semester credits in the Special Program Requirements. Non-Traditional Education (NTE) credits can only be used towards an Associate of Applied Science degree, Associate of General Studies degree or Certificate of Achievement.
- Not have any outstanding financial obligation to a NSHE institution.
- In no case, may one course be used to meet more than one requirement *except for the Values and Diversity general education requirement. (refer to page 46)*
- Course numbers less than 100 cannot be used towards any degree.
- Course numbers with a "B" suffix cannot be used toward the Associate of Arts, Associate of Business or Associate of Science.

Dual Degrees/Certificates

Students seeking to earn two certificates or degrees subsequently or simultaneously must satisfy the following dual degree policy requirements:

- File a separate Application for Graduation for each degree.
- Complete all curricular requirements for each degree.
- Complete 15 credits in residence beyond the requirements for the first degree; therefore, the student must complete a minimum of 75 semester credits if pursuing a second associate degree or 45 semester credits if pursuing a second certificate. Thirty semester credits of which were earned in residence at CSN.
- Students earning dual degrees may use a course only once to fulfill each certificate or degree requirement.

Application for Graduation

CSN awards the following degrees upon successful completion of all requirements: Bachelor of Science, Associate of Arts, Associate of Applied Science, Associate of Business, Associate of General Studies, Associate of Science and the Certificate of Achievement. Diplomas and transcripts indicate the degree and any emphasis, if applicable.

Students are strongly encourage to meet with an academic counselor prior to applying for graduation to ensure all academic requirements have been met. Students may apply for and receive diplomas for one of three semesters: summer, fall or spring. Students requesting a duplicate diploma must submit a graduation application and mark "**DUPLICATE DIPLOMA**" and pay the \$15.00 duplicate diploma fee.

Students transferring credits completed at other institutions toward their CSN degree or certificate must have their transcripts evaluated prior to applying for graduation. Any student who fails to meet graduation requirements in any given semester must file a new application with the Office of the Registrar.

Commencement exercises are held once a year in May. Students who graduated during the preceding summer or fall semesters and potential spring graduates will be listed in the commencement program and may participate in the May commencement. Students must file an application for graduation with the Office of the Registrar during the semester in which they plan to complete requirements for graduation. The deadline for filing is included in the Academic Calendar, available online at www.csn.edu/academiccalendar.

High Honors/Honors

All students graduating from CSN are considered for High Honors or Honors based on their CSN cumulative grade point average. High Honors requires a cumulative GPA of 3.6. An Honors designation requires a cumulative GPA of 3.4. All honors students receive recognition on their diplomas, academic transcripts and in the commencement program.

Course Substitution/Waiver

A student can apply to substitute a course if he/she completed a course that is similar in content to a required course. The student is not granted any additional credit, but is merely allowed to substitute a course not listed as a requirement for a course which is required.

A student can apply to waive a course if he/she has previous training or experience equivalent to the instruction given in a specific required course. Note: Courses that are waived do not eliminate the overall credit requirement for any degree.

The course substitution/waiver cannot overrule the mandatory 15 credit CSN residency requirement.

Course Substitution/Waiver Procedures

1. Student will complete a separate Substitution/Waiver Request Form for each request (forms are available online at <http://www.csn.edu/pages/2463.asp>)
2. Submit the request to the degree-granting department chair for review and signature. Students need to include degree sheet for appropriate catalog and a copy of the student's unofficial transcript and transfer credit report, if needed.

If degree has no emphasis, please see below:

- For Associate of Arts, submit to Dean of Arts and Letters
- For Associate of Business, submit to Dean of Business, Hospitality and Public Services
- For Associate of Science, submit to Dean of Science and Math
- For Associate of General Studies, submit to Associate Vice President of Academic Affairs

3. The degree-granting chair recommends approval or denial and forwards the request to the required-course department chair
4. The required-course department chair reviews and recommends approval or denial of the request and forwards to the Office of the Registrar
5. If there is a discrepancy between the degree-granting chair and the required-course chair then the request is sent to the Associate Vice President of Academic Affairs for final approval or denial
6. The student will receive a copy of the form on the completion of the process. This process can take up to six weeks.

Phi Theta Kappa

If you wish to obtain a Phi Theta Kappa notation on your diploma, transcript, and in the commencement book, you must visit CSN's Phi Theta Kappa page at www.csn.edu/ptk/ and follow the Phi Theta Kappa graduation instructions. The deadline to submit your information is the same as that for CSN's graduation. If you would like to be recognized as a Phi Theta Kappa member at CSN's commencement ceremony in May, you must purchase a Phi Theta Kappa stole online at <http://store.ptk.org/>.
