ASSOCIATE OF ARTS DEGREE (AA)

REQUIRED CREDITS: 60

DEGREE CODE: THTRE-AA

DESCRIPTION

The Associate of Arts in Theatre offers generalized study in all aspects of theatre for students who wish to pursue a career in theatre or transfer to a four-year degree program in theatre. Courses of study include play structure and analysis, acting, voice and movement, directing, stage combat, technical production, design, stagecraft, lighting, and costume technology.

STUDENT LEARNING OUTCOMES

- Analyze plays and performance through script analysis, collaborative discussion, and practical application.
- Assess the impact of acting, directing, scenery, lighting, and costumes on a theatrical production.
- Model roles and responsibilities of the production process in the areas of acting, scenery, costumes, lighting, design, and production.
- Identify theatre vocabulary through reading, research, and practical application.
- Prepare for professional careers in theatre or transfer into a four-year degree program in performance and design/technology.

PLEASE NOTE - The courses listed below may require a prerequisite or corequisite. Read course descriptions before registering for classes. All MATH and ENG courses numbered 01-99 must be completed before reaching 30 total college-level credits. No course under 100-level counts toward degree completion.
