

The CSN Casino Dealer Training courses, located on the College of Southern Nevada, Cheyenne campus, offers the most comprehensive dealer training courses in the Las Vegas Valley. The Casino Management Program at the College of Southern Nevada is considered to be the gold standard in gaming education. All courses are conducted in a clean, professional atmosphere with state of the art casino grade equipment. All instructors currently work in the casino industry and bring decades of real-world, five-star resort experience to the classroom. This provides students with a rigorous, structured learning environment, which adequately prepares graduates to enter the workforce and successfully pass an interview and live audition upon completion. All students will receive a Certificate of Completion after meeting all requirements of each course. The CSN Casino Management Program has an open door policy, inviting all students back to the gaming laboratory upon graduation to continually practice their skills at their convenience.
