*** Why is there an ECF?**

This fee was adopted by the Board of Regents for the Nevada System of Higher Education (NSHE) and applies to all NSHE colleges and universities.

The College of Southern Nevada (CSN) has implemented the Excess Credit Fee beginning with the Fall 2014 semester.

 **Excess Credit Fee**

- *The Excess Credit Fee is applied to a student account when that student's attempted credits equal or exceed 150% of the credits required for the certificate or degree.
- *Example: a student who is seeking a **30-credit Certificate of Achievement** may take up to 45 credits before triggering the Excess Credit Fee. If the student attempts over 45 credits, exceeding 150% of the requirements for that 30-credit Certificate, the student will be charged the Excess Credit Fee.
- *Example: a student who is pursuing a **60-credit Associates degree** will not be charged the Excess Credit Fee until that student has attempted over 90 credits.

Attempted Credits include:

- * Earned course grades, including “F”
 - * Grade status of “W” or “I”
 - * Audited courses
 - * All credits taken from any NSHE institution
 - * All transfer credits earned at other institutions
-
- * Credits do not expire
 - * Changing majors or declaring multiple majors will not exclude those credits from the ECF calculation

*** What is an *Attempted Credit*?**

The Excess Credit Fee is an additional 50% charge on the per-credit registration fee.

This additional charge will be in effect for the current and subsequent semesters during which the student's attempted credits are in excess of 150% of the requirements for the chosen degree or certificate.

 **The Fee**
