

# How to View Your Math Placement Results in MyCSN

In your MyCSN account, 1. Click on the drop-down menu in the Academics section, 2. Scroll down and select Test Scores, and 3. Click the “>>” button.

Once on the Test Scores screen, you will be able to find all your placement scores. Keep in mind that CSN will use your highest score for placement (within the 2-year period).

**IMPORTANT:** You may need to click “View All” to see your most recent attempt.

The screenshot shows the 'Test Scores' page. At the top, there are navigation options: 'Test Results', 'Personalize', 'View All' (highlighted with a red box and a red arrow), and 'First' (with a left arrow). On the right, it shows '1-5 of 8' and 'Last' (with a right arrow). Below this is a table with the following data:

Test ID	Description	Test Score	Test Date	Data Source
