Personal Profile

In addition to successfully completing the prescribed course of study in an approved school of nursing, the Nevada Nurse Practice Act (NRS 632.270) requires that candidates for licensure be (1) of good moral character, (2) have a high school diploma or its equivalent, and (3) be at least 18 years of age. Prospective students are advised that if they have been convicted of a felony prior to admission to the program, they may be precluded from subsequent licensure to practice as a nurse in Nevada (NRS 632.320).

Program Description

The program includes both classroom instruction and clinical practice in adult health nursing, family health nursing, and mental health concepts. Once you have completed the required courses, you will be awarded a Certificate of Achievement, and will then be eligible to apply for state licensure by examination. If you desire career mobility, you may elect to apply to the LPN to RN Bridge program.
